Full release text

"Widows of the Bible": an encouraging message of hope. "Widows of the Bible" is the inspired work of published author, Pamela Nelson, a dedicated wife, mother, and grandmother who resides in Northwestern Pennsylvania.

Nelson shares, "Jesus invites you to open up the pages of this devotional to discover God's love, compassion, comfort, and provision for this season of grief in your life. He is in every one of these twelve widow stories written in the Word of God. The stories are true, and these women existed so you can hear their widow story speak to your heart to help heal and restore your loss as you turn to Jesus Christ, our Savior.

God desires to meet with you personally on every page. He longs for you to turn to Him and hear His personal message of comfort for you in each passage. He draws near to you and hears your cry and will bring you up out of your sorrow. He will place your feet upon the rock of Jesus Christ, His Son, and help you take each step of faith. He will put a new song in your mouth so others will come to trust in the Lord because of your widow story."

Published by Christian Faith Publishing, Pamela Nelson's new book encourages widows to seek comfort and guidance through trust in God.

Nelson shares in hope of offering a helping hand to anyone navigating the grief process through a selection of impactful stories from the Bible.
